Exercise week 1.7: Surprise us

Goal: experiment with HTML, CSS and jQuery and browse through your work(s)

What to do:

- **incorporate all lectures**
- **show some content of your own work, which might represent you (or not)**
- **find and show reference websites, both likes and dislikes**
- **submit the next draft of your Plan of Approach**

Plan of Approach

Demands on the Plan of Approach

“Checklist”

- Is the goal formulated?
- Is this done in depth?
- Is the target-group described specific enough?
- Are the wishes/expectations of the target researched and described?
- Is a selection of own work described as content?
- Is there a description of the presentation of yourself?
- Is there a balance between image(s) and text?
- Is there a mix between uniqueness and functionality?
- Are there scenarios for navigation and ‘user interface’?
- Has the concept taken ‘fluid’ en ‘responsive’ into account?
